"I beg pardon. I am not sure that I understood you. I seem half deaf today. Do you say that you were with my son

"Why, yes! When I was summoned to the chateast he went with me. On seewas made with a Malay kris. like the one in father's cabinet.' He went home and fetched your kris, taking great care not to awaken you, for he knew that this herrible story, heard suddenly at night, would give you a bad shock. He gave me description of the sailor who sold you thate urious dagger and who was likely to have aenther about him. The man He has made a full confession, but still I must have your testimony, Ah! Here is your son. Montier, your father knows the whole story. He is not very

well. "Oh, it is nothing-only nervousness Why, I am crying like a baby! I beg your pardon for my weakness." "You are ill, father. What is the mat-

"Nothing, I tell you. Put your arms around me, my boy-my boy!"-Laurence B. Fletcher in New York Post.

#### CARDINAL MERRY DEL PAL

The dominant personality at the Vatican outside, and perhaps in some re spects almost equal to, that of Pope Pius X, himself is that of Cardinal Merry del Val. the Apostolle Secretary of

Only thirty-eight years of age, he has been chosen to fill what is perhaps the onerous and responsible office in Christendom; and chosen by the most critical and rigorously exacting of all elective bodies, the College of Cardinals. For aithough the position of Cardinal Secretary of State is nominally conferred by the act of the Supreme Pontiff himdetermined upon by a council of the ruling members of the College of Cardinals in conference with His Holiness.

For one so young to have emerged sucfluence he had gained in the councils of the Vatican. But when it is further borne in mind that he won this high office although not an Italian, it will be recognized that his must be a personal force to be reckoned with in the future history of the Panney.

veins. On his fathers' side he has a large share of Irish blood, while his mother share of Irish blood, while his mother was a Miss Zuluetta, the daughter of a once famous Spanish banker and financier having an important branch of his establishment in London.

Spiders interfere with the triegraph lines to the Argentine Republic. These meets there appear in myrtads, and weave their webs on the whom until they hang down in thick frateons. The masses of cobwell, when dampened by rain of dew, establish "Iraka," and by drawing off the electric current, the capacity of the lines is sometimes reduced to only a tenth of the normal.
